## ABOUT US

Mallige Institutions - one of the world class leaders in providing quality Health Care Education and creating hi-skilled Health Care Professionals through a dynamic learning method. Over the years, the Institutions have built a solid reputation of educating outstanding and compassionate advanced Health Care Professionals and leaders.

With the dream vision of providing a top class education with global standard, Dr. A.C. Shree Ram started Mallige Institutions under the management and guidance of Mallige Education Foundation in early 2003. Today our institutions have reached a hallmark in the respective health care education streams across globe & our own Hospitals, Mallige Medical Center and Mahabodhi Mallige Multispecialty Hospital played a vital role in these achievements.

### MALLIGE COLLEGE OF NURSING

In the Year 2003, Mallige Education Foundation and its Trustees established Mallige College of Nursing to meet the increasing demand for skilled and eminent Nursing Professionals. The College ensures to train and support students in achieving their goal and helps in developing their natural skills to be responsible, compassionate and competent.

### MALLIGE COLLEGE OF ALLIED HEALTH SCIENCES

Our College of Allied Health Sciences unleashes education through rigorous academic curriculum, community service and experience based learning. The College is involved in enhancing and improving the quality of its student groups at all stages of the academic sessions through its unique teaching methods and delivering a set of young minds that are ready to take up challenging roles in a competitive atmosphere.

### MALLIGE COLLEGE OF PHARMACY

During the year 2006, Mallige Education Foundation started Mallige College of Pharmacy to promote quality education on pharmaceutical sciences and to fulfil the growing health care needs of the society. The College of Pharmacy is proud of its excellent cutting edge curriculum, state of the art hi-tech classrooms, talented group of faculties and practical sessions which offers its student community an outstanding inter-professional educational experience.

## OWN MULTISPECIALTY HOSPITALS

- **Mallige Medical Center**
- **Mahabodhi Mallige Multispecialty Hospital**

Mallige Education Foundation is having 2 Own Multispecialty Hospitals located in Bangalore, namely Mallige Medical Center and Mahabodhi Mallige Multispecialty Hospital. Both Hospitals have a significant part in the foundation and success of Mallige Institutions.

## CLINICAL POSTINGS

Our clinical sessions provide a strong foundation for students to learn and experience the real medical situation under complex and high demanding environment in our Own Multispecialty Hospitals - Mallige Medical Center and Mahabodhi Mallige Multispecialty Hospital. These Hospitals are our pillars of strength in the practical training and our collaboration with these Hospitals make us even more of a competent Institution. We provide the best in class clinical training for Mallige Students under the close supervision of our own Health Care Professionals in various specializations.
